

**HOW TO RIDE**

1. Arrive at the bus stop at least 5 minutes early to avoid missing your bus.
2. When boarding the bus, deposit your exact change fare (coins only, no dollar bills or pennies) or dip your MetroCard in the farebox. All Bee-Line buses have electronic fareboxes with a slot on the left to dip your MetroCard and a slot on the right for coins.
3. If you pay your fare with coins and need to transfer to another bus, ask the bus driver for a transfer ticket when you board the bus. The transfer ticket is free and may be used within two hours to board any other Bee-Line bus route (except Route BxM4C), or New York City local bus.
4. If you pay your fare with MetroCard, the transfer is electronic. Dip your card on the first bus, then, within two hours, dip your MetroCard again on any other Bee-Line bus route (except Route BxM4C) or New York City local bus or subway and your transfer is free.
5. As the bus nears your destination or transfer point, signal the driver that you would like to get off the bus by pressing the yellow strip along the windows.
6. Please exit at the rear door. This will speed your exiting and make way for new passengers to board through the front door. Once the door is open, step off and away from the bus. Never walk close to the side of the bus.

**ABOUT THE BEE-LINE SYSTEM**

The Bee-Line System provides bus service within Westchester County and to the Bronx, Manhattan and Putnam County, with a fleet of approximately 325 vehicles.

The Bee-Line System operates approximately 60 routes that include local, limited-stop and express buses. In addition, commuter feeders operate to Metro-North Railroad stations, and shuttle services are provided to corporate parks along the I-287 corridor.

There are major transit hubs in White Plains, New Rochelle, Yonkers and Mount Vernon. In the northern part of the county, service is concentrated in Peekskill, Ossining and Yorktown. There are over 3,300 bus stops in the system.

Many Bee-Line routes operate into the Bronx, offering Westchester residents connections to New York City's subways and buses. Every subway line in the Bronx is served by at least one Bee-Line route.

The Bee-Line System is owned by the Westchester County Department of Public Works and Transportation and operated under contract with private bus companies.

**BxM4C Westchester-Manhattan Express**  
This service operates along Central Park Avenue through White Plains, Hartsdale, Scarsdale and Yonkers, to Fifth Avenue in Manhattan, and back on Madison Avenue. A premium fare is charged on this route.

**Playland Services**  
The following bus routes are operated in the summer to Westchester County's Playland Park in Rye:

- Route 75 from the Rye Metro-North Railroad Station
- Route 91 from Yonkers, Mount Vernon and New Rochelle

**Fares**

Fares are subject to change. Please visit <https://transportation.westchestergov.com/bee-line/fares-and-metrocard> for the latest fares. The Bee-Line System accepts MetroCard as well as exact change (coins only, no dollar bills or pennies) for fare payment. Drivers do not carry or make change. In addition to the Pay-Per-Ride MetroCard, you can take advantage of Unlimited Ride MetroCards available for 7 or 30 days.

**Where to Get MetroCard**

MetroCards can be purchased at any Metro-North station ticket vending machine. It can also be purchased from MetroCard vending machines or sales booths at MTA New York City Transit subway stations, neighborhood stores, Westchester County Center, and from the MetroCard van that has scheduled visits throughout Westchester.

**OMNY**

Until Bee-Line begins accepting payments via the new system, OMNY fares cannot be recognized as valid transfers on Bee-Line. All Bee-Line passengers who regularly transfer to/from New York City Transit buses and subways should continue to use MetroCard until OMNY is officially introduced on the Bee-Line Bus System. Please monitor our website for updates on the OMNY rollout.

**Transfers**

The cost of a transfer to other Bee-Line routes and New York City local buses is included in your cash fare. Using MetroCard to pay your fare on Bee-Line buses allows free transfers to other Bee-Line buses (except Route BxM4C) and to New York City subways and local buses in the Bronx.

**Senior/Disabled Reduced Fares**

Reduced fares are available to riders at least 65 years of age, certified disabled persons and valid Medicare card holders with proper photo identification.

The reduced rate is half of the base fare, except for the Route BxM4C (Westchester-Manhattan Express) which has a reduced fare of \$3.75 (off-peak only).

MetroCard reduced fares are available only to holders of a personalized Reduced-Fare MetroCard. For more information call (718) 330-1234 or visit the MetroCard website at [www.mta.info/metrocard](http://www.mta.info/metrocard).
